

The President's Corner

TOGETHER. SHAPING THE FUTURE.

October is a very busy month for Southern California's InfoSec community. We have already had the [IIA \(Institute of Internal Auditors\) Fall Conference](#), the [Cybersecurity Summit 2015-Silicon Beach](#) @ LMU, the [\(ISC\)² Security Congress](#), and the [NetDiligence Cyber Risk & Privacy Liability Forum](#), and we not even half-way through the month. Still to come this month is [BSides LA](#) and the [ISSA OC Symposium](#). Clearly October is a tough month for juggling work responsibilities and networking opportunities, and making decisions about when and where to network. But don't forget about the [ISSA-LA monthly meetings](#), which are getting better and attracting more of the leading InfoSec and IT professionals in the Southern California region. [Continue reading...](#)

OCTOBER IS AWARENESS MONTH

ISSA LA is a NCSAM Champion

ISSA Los Angeles is participating in National Cybersecurity Awareness Month this year through several social networking campaigns and is a NCSAM Champion for a second year. Do your part by getting involved and [promote NCSAM](#) by downloading and displaying logos, web banners, posters, buttons, and social media icons. Protect yourself and help keep the web a safer place for everyone by practicing STOP. THINK. CONNECT.

NOVEMBER IS ELECTION MONTH

Send your nominations

November is election month for ISSA Los Angeles too! Send your candidate list or nominate yourself for any positions to elections@issa-la.org and be sure to attend the November lunch meeting on Nov 18, 2015 to cast your vote. Elections are open to ISSA members with current membership status. If you have not renewed yet, please click [here](#) to reach the renewal page. Positions and requirements are detailed in the [Bylaws](#) section on our website.

SUMMIT 8 - MARK YOUR CALENDAR

May 19-20, Universal Hilton, CA

We're excited to announce **Summit 8 - 2016**. We listened to your feedback and next year the ISSA Los Angeles Information Security Summit is back at the Universal Hilton with a full day of training and a whole host of world class speakers and vendor exhibits. Get your CPEs and enjoy a fun environment for networking and learning.

WIN A FREE SECURITY TRAINING

Defending Mobile by Security Compass

Starting from ISSA-LA's monthly meeting last May three lucky members have been selected in a random drawing to receive the free Security Compass computer-based training (CBT) program. The program is valued at \$250 and you can claim CPEs hours. The promotion will run through December 2015. Only a few more chances are left and remember you must be present at the meeting to win! Click [here](#) for course details.
